Establishment (Bellary) - Hospet Municipality
Survey - maintenance - Town Surveyor and
chairmen - Permanent Retention - Proposal
From the Board of Rev. Ref. E. No. 1305/46-3

For C.F.

dated: 8.8.46

To R.S.

Please see the reference from the
Bd. of Rev. to the C.F.

The Board recommends the

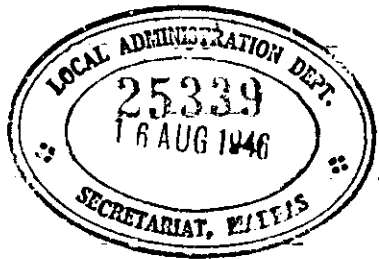

permanent retention of the Surveyor and
two chairmen for the maintenance of
Survey in the Hospet Municipality

According to Gov. Memo. No. 3961-2(A) E II-1
dated 9-1-37, no proposals for making
any temporary establishment permanent
should be taken up for consideration until
the establishment has been in existence

continuously for five years and even
then the establishment should not be made
permanent unless experience has shown that
the staff is permanently required to deal
with the normal volume of work, each case being
decided on its merits. The posts of

the Town Surveyor and the two chairmen
have been in existence for nearly seven
years. The Collector reports that there is a
necessity for the permanent retention of
the Town Survey Establishment.

For order whether the permanent
retention of the Town Surveyor and the
two chairmen will be sanctioned. Subject
to orders a draft order is submitted for
approval. It may be sent to L.A. and
Finance for acceptance.
